

## CASE SUMMARIES: 2020 ORDER FORM

We have summarized all reported Social Security and SSI cases decided by the Federal District Courts, the Circuit Courts of Appeal, and the U.S. Supreme Court since 1990.

**You can purchase all of the topics within one (or more) circuit. (Our most popular option.)**

This will show you how the courts in your circuit have been deciding Social Security disability cases. You can see which arguments have been most successful before your judges, and how the courts view certain types of claims. You will know which cases have been issued as Acquiescence Rulings for your circuit. Decisions from the U.S. Supreme Court will be included with each circuit order.

**You can purchase all of the circuits' decisions on one (or more) topic.** This will show you how courts across the country are deciding particular issues. If no court in your area has ruled on your issue, you can see what has been successful in other areas. You can also see if your circuit is in agreement with others.

**You can purchase all of the summaries from all circuits.** This will show you everything!
