Dear President-Elect Biden:

On behalf of the National Organization of Social Security Claimants' Representatives (NOSSCR), I would like to congratulate you on being elected the 46th President of the United States. NOSSCR is a specialized bar association for attorneys and advocates representing Social Security Disability Insurance (SSDI) and Supplemental Security Income (SSI) claimants throughout the adjudication process and in federal court. Founded in 1979, NOSSCR is a national organization with a current membership of more than 2,000 members from the private and nonprofit sectors.

As advocates for those with disabilities, NOSSCR members are dedicated to ensuring that their clients receive top flight representation and that they are awarded the benefits that they have earned and deserve. NOSSCR members fight to ensure that Americans with disabilities can maximize their dignity, stability, and independence.

NOSSCR members help ensure that the Social Security Administration (SSA) operates more effectively by assisting clients in navigating complex policies and procedures. Additionally, Social Security claimants' representatives help clients obtain and submit evidence, question expert witnesses at hearings, write briefs, and assist their clients in completing crucial paperwork.

The Social Security system faces numerous challenges over the coming years, but with your leadership and sound policy decisions, the Social Security system will remain strong and continue to be a crucial safety net for generations to come. NOSSCR looks forward to working with you and your administration, if we can be of any assistance please do not hesitate to contact our Director of Political and Legislative Strategy, Michael Linskey at Michael.linskey@nosscri.org.

Sincerely,
