

FOR REFERENCE ONLY

Session Proposal Form

The NOSSCR Conference Committee welcomes and strongly encourages everyone interested in presenting to submit a proposal. Prior to completing this form, please review a summary of the changes to the submission process, as well as the conference format and general participation process, available at the [NOSSCR Conference 2023 website](#). There is a PDF version of this survey available on the website so that you may review it in advance of completion and gather the necessary information.

We also welcome participation from individuals who may not want to present but are willing to be involved in other ways, such as being moderators or assistants to presenters. Please use the Moderator Application form to apply to moderate or contact the Conference Committee at nosscr@nosscr.org regarding other opportunities to participate in the Conference.

MULTIPLE PROPOSALS

All session proposals must be submitted online with one form for each proposed session, i.e., including all presenters on the same form. All proposals will be reviewed by the NOSSCR

Conference Committee.

DEADLINES

December 15, 2022 is the deadline for session proposals. However, we strongly recommend that you submit your proposal to present or moderate as soon as possible instead of waiting until the submission deadline.

February 15, 2023 is the deadline for materials from presenters. We strongly encourage the submission of materials earlier than the deadline due to CLE requirements. Complete materials can be submitted with the initial proposals. Please note that materials can be updated if needed prior to the conference date.

FURTHER QUESTIONS

Please do not hesitate to contact the Conference Committee at nosscr@nosscr.org with any other questions. We look forward to seeing you in Washington, DC.
