

CASE SUMMARIES: 2023 ORDER FORM

We have summarized all reported Social Security and SSI cases decided by the Federal District Courts, the Circuit Courts of Appeal, and the U.S. Supreme Court since 1990. Beginning in 2022, only decisions from the Circuit Courts of Appeal and U.S. Supreme Court are included.

You can purchase all of the topics within one (or more) circuit. (Our most popular option.)

This will show you how your circuit has been deciding Social Security disability cases. You can see which arguments have been most successful before your circuit judges, and how the court views certain types of claims. You will know which cases have been issued as Acquiescence Rulings for your circuit. Decisions from the U.S. Supreme Court will be included with each circuit order.

You can purchase all of the circuits' decisions on one (or more) topic. This will show you how each circuit is deciding particular issues. If your circuit hasn't ruled on an issue, you can see what has been successful in other circuits. You can also see if your circuit is in agreement with others.

You can purchase all of the summaries from all circuits. This will show you everything!
