Dear David,

We would like to thank you for inviting us to speak at NOSSCR's annual conference last week as part of SSA OIG's Section 1140 Outreach program. We are so grateful to have had an opportunity to provide information about this important consumer protection tool to your members who we hope will in turn, share it with their clients. We hope our presentation will also serve to inform your members about how they can avoid Section 1140 liability as they create or update their advertising and marketing.

We know that this was a large event with many moving parts. Your staff, especially Laura Beth Waller and Betsy Osborn, as well as Jordi Stack and the production team at Utopia Experience, went above and beyond to make sure we were comfortable with the virtual platform and to ensure our presentation went off without a hitch. Also, we appreciate your generous offer to place SSA OIG informational flyers into each of your 1000+ attendee's registration packets.

We hope that NOSSCR's 2024 conference marks the beginning of a productive and collaborative relationship between NOSSCR and its members and SSA OIG. Should you receive any feedback or questions regarding our presentation, please reach out. We value you and your members' perspectives and welcome any questions.

Once again, we extend our sincere thanks to you and your team for inviting us and assisting us, in participating in this impactful event.

Sincerely,

s/ Debbie and Penny
