EM-24026	193.262-014	DISPATCHER	government services	Sedentary	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	193.262-022	RADIO OFFICER	water transportation	Sedentary	7	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	193.262-026	RADIO STATION OPERATOR	aircraft manufacturing	Light	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	193.262-030	RADIOTELEGRAPH OPERATOR	telephone and telegraph	Sedentary	7	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	193.262-034	RADIOTELEPHONE OPERATOR	any industry	Light	7	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	193.362-010	PHOTORADIO OPERATOR	printing and publishing; telephone and telegraph	Sedentary	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	193.362-014	RADIO-INTELLIGENCE OPERATOR	government services	Sedentary	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	193.382-010	ELECTRONIC INTELLIGENCE OPERATIONS SPECIALIST	military services	Sedentary	7	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	203.562-010	WIRE-TRANSFER CLERK	financial institutions	Sedentary	4	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	235.462-010	CENTRAL-OFFICE OPERATOR	telephone and telegraph	Light	3	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	235.562-010	CLERK, ROUTE	telephone and telegraph	Sedentary	4	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	235.662-018	DIRECTORY-ASSISTANCE OPERATOR	telephone and telegraph	Sedentary	3	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.

EM-24026	236.562-010	TELEGRAPHER	railroad transportation	Sedentary	4	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	236.562-014	TELEGRAPHER AGENT	railroad transportation	Sedentary	5	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	237.367-034	PAY-STATION ATTENDANT	telephone and telegraph	Light	5	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	239.382-010	WIRE-PHOTO OPERATOR, NEWS	printing and publishing	Sedentary	5	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	297.667-014	MODEL	garment; retail trade; wholesale trade	Light	3	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	299.647-010	IMPERSONATOR, CHARACTER	any industry	Light	2	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	305.281-010	COOK	domestic service	Light	6	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	338.371-010	EMBALMER APPRENTICE	personal service	Heavy	7	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	338.371-014	EMBALMER	personal service	Heavy	7	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	379.384-010	SCUBA DIVER	any industry	Heavy	4	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	410.161-010	ANIMAL BREEDER	agriculture and agricultural service	Medium	6	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	410.161-014	FUR FARMER	agriculture and agricultural service	Light	6	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	410.161-018	LIVESTOCK RANCHER	agriculture and agricultural service	Heavy	7	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	410.161-022	HOG-CONFINEMENT-SYSTEM MANAGER	agriculture and agricultural service	Medium	7	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	411.161-010	CANARY BREEDER	agriculture and agricultural service	Light	5	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.

EM-24026	411.161-014	POULTRY BREEDER	agriculture and agricultural service	Light	7	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	413.161-014	REPTILE FARMER	agriculture and agricultural service	Light	6	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	452.167-010	FIRE WARDEN	forestry	Light	7	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	452.367-010	FIRE LOOKOUT	forestry	Light	5	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	452.367-014	FIRE RANGER	forestry	Medium	4	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	455.367-010	LOG GRADER	logging; sawmill and planing mill	Light	6	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	455.487-010	LOG SCALER	logging; millwork, veneer, plywood, and structural wood members; paper and pulp; sawmill and planing mill	Light	5	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	519.684-010	LADLE LINER	foundry; smelting and refining	Medium	3	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	519.684-022	STOPPER MAKER	blast furnace, steel work, and rolling and finishing mill	Heavy	3	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	579.664-010	CLAY-STRUCTURE BUILDER AND SERVICER	glass manufacturing	Medium	4	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	661.281-010	LOFT WORKER	ship and boat manufacturing and repairing	Light	7	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	661.281-018	PATTERNMAKER APPRENTICE, WOOD	foundry	Medium	8	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	661.281-022	PATTERNMAKER, WOOD	foundry	Medium	8	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	661.380-010	MODEL MAKER, WOOD	any industry	Medium	7	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	690.682-078	STITCHER, SPECIAL MACHINE	boot and shoe	Light	4	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.

EM-24026	690.682-082	STITCHER, STANDARD MACHINE	boot and shoe	Light	4	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	690.685-494	STITCHER, TAPE-CONTROLLED MACHINE	boot and shoe	Light	2	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	693.261-018	MODEL MAKER	aircraft-aerospace manufacturing	Medium	7	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	714.281-010	AIRCRAFT-PHOTOGRAPHIC-EQUIPMENT MECHANIC	photographic apparatus and materials	Light	8	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	714.281-014	CAMERA REPAIRER	photographic apparatus and materials	Sedentary	8	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	714.281-018	MACHINIST, MOTION-PICTURE EQUIPMENT	motion picture; photographic apparatus and materials	Medium	8	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	714.281-022	PHOTOGRAPHIC EQUIPMENT TECHNICIAN	photographic apparatus and materials	Light	8	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	714.281-026	PHOTOGRAPHIC-EQUIPMENT-MAINTENANCE TECHNICIAN	photographic apparatus and materials	Light	7	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	714.281-030	SERVICE TECHNICIAN, COMPUTERIZED-PHOTOFINISHING EQUIPMENT	photofinishing	Medium	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.281-010	WATCH REPAIRER	clocks watches, and allied products	Light	8	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.281-014	WATCH REPAIRER APPRENTICE	clocks, watches, and allied products	Light	8	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.381-010	ASSEMBLER	clocks, watches, and allied products	Light	7	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.381-014	ASSEMBLER, WATCH TRAIN	clocks, watches, and allied products	Sedentary	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.381-018	BANKING PIN ADJUSTER	clocks watches, and allied products	Sedentary	5	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.

EM-24026	715.381-022	BARREL ASSEMBLER	clocks, watches, and allied products	Sedentary	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.381-026	BARREL-BRIDGE ASSEMBLER	clocks, watches, and allied products	Sedentary	5	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.381-030	BARREL-ENDSHAKE ADJUSTER	clocks, watches, and allied products	Sedentary	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.381-038	CHRONOMETER ASSEMBLER AND ADJUSTER	clocks, watches, and allied products	Light	7	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.381-042	CHRONOMETER-BALANCE-AND-HAIRSPRING ASSEMBLER	clocks, watches, and allied products	Light	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.381-054	HAIRSPRING ASSEMBLER	clocks, watches, and allied products	Light	5	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.381-062	HAIRSPRING VIBRATOR	clocks, watches, and allied products	Light	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.381-082	PALLET-STONE INSERTER	clocks, watches, and allied products	Light	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.381-086	PALLET-STONE POSITIONER	clocks, watches, and allied products	Sedentary	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.381-094	WATCH ASSEMBLER	clocks, watches, and allied products	Light	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.584-014	REPAIRER, AUTO CLOCKS	clocks, watches, and allied products	Light	3	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	715.681-010	TIMING ADJUSTER	clocks, watches, and allied products	Light	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	761.381-014	JIG BUILDER	wooden container	Medium	6	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	788.684-114	THREAD LASTER	boot and shoe	Light	3	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.
EM-24026	826.261-010	FIELD-SERVICE ENGINEER	photographic apparatus and materials	Light	8	Adjudicators may not cite work in these occupations to support a "not disabled" determination or decision that uses the medical-vocational guidelines.

EM-24026	841.381-010	PAPERHANGER	construction	Medium	7	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	841.684-010	BILLPOSTER	business services	Light	2	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	849.484-010	BOILER RELINER, PLASTIC BLOCK	foundry	Medium	4	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	850.663-010	DREDGE OPERATOR	construction; coal, metal, and nonmetal mining and quarrying	Medium	5	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	861.381-046	TERRAZZO WORKER	construction	Medium	7	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	861.381-050	TERRAZZO-WORKER APPRENTICE	construction	Medium	7	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	861.664-014	TERRAZZO FINISHER	construction	Very Heavy	5	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	899.261-010	DIVER	any industry	Heavy	7	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	899.684-010	BONDACTOR-MACHINE OPERATOR	foundry	Medium	3	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	910.362-010	TOWER OPERATOR	railroad transportation	Light	5	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	910.363-018	YARD ENGINEER	railroad transportation	Light	5	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	910.382-010	CAR-RETARDER OPERATOR	railroad transportation	Sedentary	5	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	910.583-010	LABORER, CAR BARN	railroad transportation	Light	4	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	910.683-010	HOSTLER	railroad transportation	Light	4	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	910.683-022	TRANSFER-TABLE OPERATOR	railroad equipment building and repairing; railroad transportation	Medium	3	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.

EM-24026	911.663-010	MOTORBOAT OPERATOR	any industry	Medium	5	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	919.663-014	DINKEY OPERATOR	any industry	Light	4	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	919.683-010	DOCK HAND	air transportation	Heavy	4	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	919.683-026	TRACKMOBILE OPERATOR	any industry	Medium	3	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	930.683-026	ROOF BOLTER	coal, metal, and nonmetal mining and quarrying	Medium	4	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	952.362-022	POWER-REACTOR OPERATOR	utilities	Medium	7	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	960.362-010	MOTION-PICTURE PROJECTIONIST	amusement and recreation; motion picture	Light	6	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	960.382-010	AUDIOVISUAL TECHNICIAN	any industry	Medium	3	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	961.367-010	MODEL, PHOTOGRAPHERS'	any industry	Light	4	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24026	961.667-010	MODEL, ARTISTS'	any industry	Light	3	Adjudicators may not cite work in these occupations to support a “not disabled” determination or decision that uses the medical-vocational guidelines.
EM-24027	209.587-010	Addresser	clerical	Sedentary	2	Requires additional evidence from a Vocational Specialist (VS) or Vocational Expert (VE) supporting the adjudicator’s conclusion that, as the occupation is currently performed, its requirements are consistent with the individual’s RFC, and it exists in the national economy in numbers that alone, or in combination with work in other cited occupations, are significant.
EM-24027	249.587-018	Document Preparer, Microfilming	business services	Sedentary	2	Requires additional evidence from a Vocational Specialist (VS) or Vocational Expert (VE) supporting the adjudicator’s conclusion that, as the occupation is currently performed, its requirements are consistent with the individual’s RFC, and it exists in the national economy in numbers that alone, or in combination with work in other cited occupations, are significant.
EM-24027	249.587-014	Cutter-and-Paster, Press Clippings	business services	Sedentary	2	Requires additional evidence from a Vocational Specialist (VS) or Vocational Expert (VE) supporting the adjudicator’s conclusion that, as the occupation is currently performed, its requirements are consistent with the individual’s RFC, and it exists in the national economy in numbers that alone, or in combination with work in other cited occupations, are significant.

EM-24027	239.687-014	Tube Operator	clerical	Sedentary	2	Requires additional evidence from a Vocational Specialist (VS) or Vocational Expert (VE) supporting the adjudicator's conclusion that, as the occupation is currently performed, its requirements are consistent with the individual's RFC, and it exists in the national economy in numbers that alone, or in combination with work in other cited occupations, are significant.
